NICKY'S CAFE & CATERING

◆ ◆ ◆

Important Notices

- 1. Nicky's Cafe custom Number One - don't sit around trying to catch an eye, wave, snap fingers, make psst or yell like hell. You can easily rupture an eyebrow making those ocular "Yoo Hoos" and besides, you'll never get waited on.**
- 2. Tip Number Two - we are not used to separate checks, so please bear with us.**
- 3. Help conserve our natural resources - ice water is served on request. Yet wine, beer, soft drinks and booze are probably more so and the glasses are prettier.
Note: Our vegetables are washed with perfectly safe water.**
- 4. Ask for suggestions. Don't order shrimp cocktail - you can get that back home.
Order house specialties.**
- 5. Drink local spirits (Vodka, Gin, Rum, etc.). The imported stuff is stiff.**
- 6. If it rains while you are being served, the service will go from ridiculous to absurd but at least we have an excuse.**
- 7. We open the gates at 5:30 a.m. and we close them at 8:00 p.m.
Everyone inside will get fed if they so desire.**

Enjoy your meal and thank you.
